

## Accepting the Eureka College Financial Responsibility Agreement

Students must complete the 'Financial Responsibility Agreement' through their student SONIS account prior to registering for the next semester's courses. Acceptance of this agreement is required for EACH year. Students must accept this agreement prior to registration for the upcoming academic year.

**Update June 2022 – All returning students, regardless of whether or not you have signed a previous agreement, will be prompted to sign this agreement again for the 2022-23 academic year. Please accept the agreement to move forward with viewing your schedule.**

### To accept the agreement:

1. Log into SONIS via this link: <https://eureka.jenzabarcloud.com/> or by visiting [www.eureka.edu](http://www.eureka.edu) and clicking on Student Resources, then selecting SONIS.
2. Immediately upon login, a box will pop up with the Financial Responsibility Agreement language. You must accept to move forward through SONIS. Read the agreement and click the *Accept* button at the bottom of the agreement. **Please note:** Failure to accept this document will prevent registration for the future year's courses.
3. Register for classes when registration opens.
