# Occupational Therapy

Occupational Therapy is a 3 + 2 program conducted in cooperation with Washington University School of Medicine: Program in Occupational Therapy in St. Louis, Missouri. This program prepares students for careers in hospital settings, nursing homes, rehabilitation centers, etc., assisting physicians and other types of therapists to train and rehabilitate individuals with physical defects, injuries and other health problems. Students spend three years studying at Eureka College, and if accepted by Washington University, will continue studies there. Upon successful completion of the fourth year, the student will be awarded a B.S. with a major in Biology/Occupational Therapy from Eureka College, and upon completion of the fifth year of study the student will be awarded an M.S. in Occupational Therapy from Washington University School of Medicine: Program in Occupational Therapy. A Eureka student must successfully complete all general requirements and those for a major in Biology/Occupational Therapy at the College and must accumulate 92 semester hours of credit.

## REQUIREMENTS FOR A MAJOR IN BIOLOGY/OCCUPATIONAL THERAPY

			<b>Hours</b>
BIO	141W	Principles of Biology I	4
BIO	142W	Principles of Biology II	4
BIO	320W	Bacteriology and Virology	4
BIO	360W	Genetics	4
BIO	370	General Physiology	
or BIO	264	Human Anatomy and Physiology II	4
S&M	200W	Methods of Science and Critical Thinking	2
CHM	131	General Chemistry I	4
CHM	132	General Chemistry II	4
CHM	220	Organic Chemistry I	4
CHM	221	Organic Chemistry II	4
MAT	121	Precalculus	4
MAT	260	Statistics	3
PSY	101	General Psychology	3
PSY 205		Psychology of Childhood through Adolescence	3

PSY	208	Adulthood and Aging Psychology	3
