### FINANCIAL CERTIFICATE

You are required to certify that you will have available the sum of U.S. \$ 22,580 for your own expenses for your first academic year at Eureka College, exclusive of travel expenses. You should also indicate how you will meet your expenses for subsequent years of study if you expect your program to require more than one year. Students who plan to stay in the United States through one summer will need an additional \$2500 for that four-month period. In computing your expenses, you should bear in mind that students holding student (F) or exchange visitor (J) visas will not be authorized to work except under extraordinary circumstances. Therefore, the applicant should not look to employment, either part-time during the academic year or full-time during the summer, as a significant means of support while at Eureka College. Under no circumstances are students permitted to work full-time during the academic year. If you are a married student and plan to bring your spouse and children, a proportionately larger amount must be certified, on the basis of at least an additional \$2500 per academic year (\$280 per month) for your spouse and \$1200 (\$135) for each child. (Note that your spouse may obtain work permission only if you hold a J-1 Student Visa, and then only for his or her and the children's support. Spouses of F-1 Student Visa holders are not permitted to work under any circumstances.)

You are also likely to need this documentation to prove to the United States Consular officials that you have sufficient funds. We suggest, therefore, that you make copies of all documents for this purpose.
