

The Ronald W. Reagan Society of Eureka College recognizes people like you who value the enduring inspirational power of the remarkable story of the lifelong relationship between Ronald Reagan and Eureka College. The story of Eureka College and Ronald Reagan stands as the national monument to American opportunity. Rooted in freedom to fulfill potential; grown from humble beginnings; built on Midwestern faith and values; transformed by education; embraced by mentors; and achieved through the discovery of vision and a voice. "Everything that has been good in my life began here," President Reagan said. Your gift to the Ronald W. Reagan Society is an investment in developing more good leaders instilled with the same values President Reagan learned from his alma mater. Eureka College calls our vision "Reagan Forward."

The following list gratefully recognizes those generous gifts received between July 1, 2010, and June 30, 2011.
