Off-Campus Housing Request 2008-2009

Student Programs and Services, 300 E. College Avenue, Eureka, IL 61530

Eureka College requires that all full time students attending Eureka College live in the residence halls on campus unless approval is granted by the Director of Residence Life or the Dean of Student Programs and Services. Students who are granted exemptions from living on campus meet one or more of the following criteria: 1) commute from a parent's home (within a 50 mile radius); 2) pursuing a second bachelor's degree; 3) are entering their 5th year of college with senior status; 4) over 23 years of age; 5) married; 6) have lived independently for over a year; or 7) hold a full time internship or student teaching position outside of Eureka. Students who feel they qualify to live off campus may apply for "commuter" status by filling out this form.

All information to be considered in review of the student's request for off campus housing should be included with this housing request form. It is permissible and encouraged to provide an additional statement outlining more specifically a student's request to live off campus or to provide supporting information if they do not meet one of the exemptions listed above.
