### What does my bill look like?

- Why are my charges & awards estimated?  
estimated bills are during a time when there can be many changes made to a student account (ie: additional books, change of meal plan, course fees, etc.)
- When will my estimated charges & awards become actual?  
after 10<sup>th</sup> day of class when the student may no longer make changes
- What does an amount mean that has parentheses around it?  
amounts with parentheses are credits or deductions to an account, if your total balance due is in parentheses this is an amount that is owed to the student
- When should I check my billing statement?  
**OFTEN** to make sure you have not incurred additional charges or fees that may now be due

## Other Payment Options To Consider –

These arrangements are to be made prior to due dates in order to avoid late fees.

- 529 Plan/ College Illinois – If you have a savings plan please contact College Illinois to begin the process of withdrawals. 529 Plan holders will work with their servicer to request payment to Eureka College. Families using either plan are asked to contact [businessoffice@eureka.edu](mailto:businessoffice@eureka.edu) so we can make appropriate notations on student accounts. Please note for 529 Plans, payments are expected by the prescribed due dates each semester.
- Veterans Educational Benefits – If you qualify for Veteran's Educational Benefits, contact [financialaid@eureka.edu](mailto:financialaid@eureka.edu) or visit the Eureka College website for step by step directions at <https://www.eureka.edu/admissions-and-financial-aid/scholarships-awards-and-veteran-benefits/veteran-benefits>
- Other Loan Options - Even though we do not like to encourage loan debt, if you find yourself in need of researching additional loan options besides your federal student loans, you can look into a private student loan through a private bank OR a parent loan in the parents name through the Federal Parent Plus Direct Loan Program or even through a private bank. The below websites are helpful sites when searching additional loan options to pay your balance due.  
<https://www.eureka.edu/-admissions&financial-aid-financial-aid>.

## Campus Employment

- Student worker positions available
  - Available positions are emailed to all students
  - Directions on how to apply are in the email
  - Student workers will need government IDs to start working; be sure your student has a valid state photo id and social security card OR a valid passport for employment purposes
- How do I use my 'federal work study offer'?
  - Your financial aid offer of 'federal work study' is indicated on your award letter, you will need to go through the same process of applying for employment and getting hired. Federal Work Study applications will be considered first for a position. The earned aid of 'federal work study' is paid directly to the student based on hours worked of a campus job. Earnings are not automatically deducted from charges.
