Cybersecurity Certificate

Most In-Demand Tech Field
No prior knowledge needed

EUREKA
COLLEGE

300 East College Avenue
Eureka, IL 61530
www.eureka.edu

The Cybersecurity Certificate at Eureka College is an aligned NIST/NICE standards **cybersecurity training program** designed to successfully prepare people with hands-on and practical skills for **entry level jobs in cybersecurity**, an in-demand and lucrative career path. No prior knowledge or experience required.

Program Features

- Cohort-based hybrid program with weekly meetings and online learning
- Curriculum aligned with National Initiative for Cybersecurity Education (NICE)
- Access to Cyber experts for Q&A
- Guidance on job searching and resume building

Graduates of the certificate program are permitted to take either the **Cyber First Responder (CFR) certificate exam** or the **Security+ certification exam**. Graduates will also receive a completion certificate.

How Does it Work?

The Cybersecurity Certificate was developed around Israeli military training methodologies and hands-on learning.

- **Part-Time is 6 months.**
- **Classes meet online twice a week from 5-9 p.m. CST.**

Once registered, students will have a 20-hour required pre-work assignment due before the start date of the class.

2023 Class Schedule

- Start Aug 21.....Mondays & Thursdays from 5-9 p.m. CST
- Start Nov 17.....Tuesdays & Fridays from 5-9 p.m. CST

**Register
Today!**

As part of the
Hired! IT Workforce Accelerator Program,
students who live in and/or work in an
eligible county may be eligible for
free tuition.
